Turn- und Sportverein – Schanzerfeld 1 - 66882 Hütschenhausen

16.04.2020

Dear club members,

We are firmly in the grip of the Corona pandemic and since mid-March, the crisis has crippled the sports business as well. No competitions, no training, no gymnastics, all sports facilities are closed – nothing is working anymore and nobody knows how long this will continue.

In spite of everything, it must go on somehow. The sports facilities must be maintained, associations demand their contributions and the insurance companies and utilities also want to be paid. Even if no sports activities can take place at the moment and we save costs for coaches and trainers, the club still has to face high costs.

As you may have noticed, in April, you received the bills for the membership fee as usual or the amount has been directly debited from your account. In face of the current situation, we have decided not to charge all fees this time. Some departments charge so-called department fees in addition to the basic club fee, as these sports have higher costs for trainers, coaches, material and so on. This concerns the departments aerobics, judo and tennis. Since there is no sports activity at the moment, we will suspend these fees for the time being, i.e. we will only charge the basic club fee.

If you have signed up for courses and paid for them already, we will make up for the missing hours at a later time. That way, we should at least be able to make ends meet for the next time and to maintain the facilities such that we can continue all sports activities once the pandemic has calmed down. I hope you understand our approach.

During this difficult time, we noticed that it is very important to stay in touch. For this reason, we would like to communicate with you via e-mail from now on. This way, we can distribute information faster and save money for postage as well. Not to mention the fact that we save a lot of paper and thus protect the environment.

If you agree, send a short e-mail to

kontakt@tsvhuetschenhausen.de

with your name and address and the message „I agree” or “I do not agree” if you do not wish to do so. We will respect your decision in any case.

A few words on data protection:

Data protection is of top priority for us. We will use your e-mail address for direct communication only and will not pass it on to third parties. You will not receive any advertisement or spam from any companies. Your data is stored on multiple secured computers, so that misuse is almost impossible.

Whatever you decide – we hope you have all been spared from the Corona pandemic so far and will remain so. We wish you all the best and – stay healthy!

Volker Nicolay
President
